It remains to be seen whether they will pass the remaining departmental examinations now. The results of the examinations held in May 1939 may be expected to be announced shortly. The two vacancies of Asst Registrars have been filled up temporarily, pending the two Probationers qualifying themselves fully. As it will take some time for them to complete their training & to pass the necessary departmental examinations, if they should fail to get through all the remaining examinations now, it is necessary to make provision for them pay at least till the end of January 1940, so as to give them the advantage of appearing for the examinations to be held in December next. A sum of Rs 1120 at least will have to be granted, being their pay for 7 months. It is necessary to absorb them in the existing vacancies, terminating the temporary appointments made, as soon as they qualify themselves & complete their training, so as to reduce the extra expenditure. An additional grant of Rs 1120 may be provisionally sanctioned for the present.

He is now working in the Land Mortgage Bank as per Government Order No.D.6835-7/L.M.10-38-2 dated 18th/19th January 1939 and so his training will not be over before the end of October 1939. I am of opinion that Mr.Peethambara Rao

has obtained a good insight into the working of the Department and may be placed in independent charge of a Division. I have had -- occasions ~~of~~ for judging his work, independently of the reports of the Officers under whom he was placed for training and found him to be a very promising and enthusiastic young man.
